### FINANCIAL POLICY

We, as a team, are committed to providing our patients with the best possible dental care. We do accept cash, personal check, Mastercard, Visa and Discover. A \$35.00 charge is applied to your account should a personal check be returned for any reason. Payment for services rendered are due at the time of service unless payment arrangements have been approved in advance by the accounts manager.

If you have dental insurance, we are always anxious to help our patients receive their maximum allowable benefits. In order to accomplish this we will need your assistance in supplying us with updated information on any changes with your insurance carrier and/or address change. As a courtesy to our patients, we will file your insurance for you and accept the assignment of benefits. However, any co-pay or deductible is due at the time of service. Please note that any out-of-pocket estimate given you by our office is just that, an estimate. Insurance payment is determined by your insurance company once they have received the claim. Any balance not paid by the insurance company will be the responsibility of the patient.

We will gladly discuss your proposed treatment and answer any questions relating to your insurance.

When making an appointment, we reserve a specific time for you and the doctor. If an appointment needs to be changed or cancelled, a 24-hour notice must be given to the office. Failure to give a 24-hour notice prior to your appointment time may result in a charge of \$35.00 for that missed appointment.

I understand that my account shall be deemed in default if not paid in full in 90 days from the date of service. This is to include today's procedure fees and all future service fees. I agree to pay collection expense of 40% of the unpaid balance in the event of my default. Collection expense shall include, but not limited to, collection agency fees and/or attorney fees. I further state that I have read and understand this statement.
